Action Pistol Division --- IPSC, ICORE, Steel Challenge, and 3-Gun - Oh My!

Our August IPSC Match included 80 shooters, 7 stages, and about a 165 minimum round count. We received some nice feedback on the variety of shooting challenges; folks seemed to enjoy the clothesline stage, and the clothes we shot through will never be the same!

We were into August heat big time, with temperatures in the hundreds. The ice cream and cold drinks were very welcome! So was lunch, courtesy of the Sand Witches; it's a nice break in the action while still letting us finish up by 3 or so in the afternoon.

Last weekend, we also had an ICORE match, with 7 shooters braving the continuing heat and humidity. At the end of July we held a Steel Challenge Match with 24 shooters showing up to compete – several in more than one division.

The match results are as follows:

IPSC - Division	#	1st Place	2nd Place	3rd Place
Limited	27	Robert Carlile	Kelly Campbell	Gary Lawrence
Limited-10	3	Jesse Tischauser	James Tomas	Greg Goode
Open	6	Eric Crotsley	Rob Elston	Michael Grayum
Production	34	James Broom	Chris Anderson	Troy Fullbright
Revolver	2	Javier Martinez	Roger Davis	---
Single Stack	8	Phil Strader	David Elderton	Matt Johnson
ICORE				Stan Miller
Limited	5	Javier Martinez	Roger Davis	Richard Miller
Open	2	Chris Gober	Carl Shelton	---
Steel Challenge				
Iron Rev.	1	Roger Davis	---	---
Limited	17	Kurt Miller	Shannon Conley	Bill Suchanek
Open	1	Wes Fentress	---	---
Rimfire Iron	3	Kelly Campbell	Mike Cox	Shannon Conley
Rimfire Optics	5	Kelly Campbell	Chris Gober	Greg Goode

Folks, we're still struggling to get a routine established for Steel Challenge and 3-Gun matches. At the moment, the next Steel Challenge match is October. We will not have a 3-Gun match before then either, due to major matches going on elsewhere. That said, we sometimes slide a match in on short notice. For example, Mike Pinto scheduled a rifle-only match on August 29th. We'll report the results next month.

With that in mind: **Check the website for current information on events!**

Range improvements: We're discussing covers for the 3 new north bays. We're thinking 12 X 30 shade covers outside the confines of each bay, which will maximize the room in the bays for stages, and also provide plenty of cover. We will also be building tables adjacent to the bays to be used as safe areas. We haven't finalized how to best finish out the rifle bay, given its multiple discipline use, but we are discussing it.

See you on the range!!

Military Bolt Action Match August 7th 2010

Well we increased our number by one from last month and we still have plenty of room on the second relay. Boy it sure gets hot fast, almost as fast as the excuses were flying. I think we will use a bigger target for the "Sit or Stand" Match next time since the standing shooters got clobbered.

These matches have always been fun ones and I would encourage anyone thinking about it to go ahead and dive right in. Everyone here would be happy to help you out.

The next month's Match will be on September 4th and starts at 08:00 2nd relay around 10:00.

The Supplemental Match will be "How to Drain an AK" with a AK-47 or SKS if you prefer you will shoot 10 rounds at 50 yards and 10 rounds at 100 yards all in 2 minutes on a SR 21 target.

If you have any questions my number is 942-0488 or e-mail me at LUVmySKYE@aol.com
